General Rules

Safety

- Outdoor Laser Tag is a non-contact sport. Do not do anything that may cause injury to either you, or other people, or any props in the site.
- No physical contact between players and no opponent any closer than 5 feet from any opponent
- No behavior is allowed that could cause injury to any person
- Obey referee and park staff instructions at all times. Failure to do so may result in player injury.
- Anyone observing an unsafe act will call for a cease fire and notify the nearest referee or park staff.
- NO real knives, real guns, paintball guns, blank fire pistols, or any other object that is capable of firing a projectile.
- NO illegal substances or drugs on the premises
- NO alcohol on the premises
- If you encounter a non-playing member of the public in the park, please stop what you are doing, answer any questions they have (nicely!) and inform the rest of the players nearby. Also inform the nearest referee so that they may ask them to leave the park during game play.
- Do not attempt to harm or capture any wildlife. If you encounter any wildlife that may pose a threat (snakes, spiders, scorpions, coyotes, etc.) move away slowly and notify the nearest referee or park staff.

Game Play

- The referee will signal 'end-of-mission' when the mission objective is complete or all players on a team are reduced to zero lives.
- When you run out of ammo or lives you must return to the field referee or back to the Base or Dead Zone
- The referees or park staff reserves the right to reorganize teams before each mission to ensure balanced teams depending on the scenario chosen.
- Do not go outside of given field boundaries or outside the park boundaries stated by employees

Equipment

- Do not leave the park with any **iCZAP** equipment. Any missing equipment will be reported as stolen to local law enforcement.
- If players damage any park equipment due to neglect or abuse, the player is responsible for the cost of repair or replacement, depending on severity of damage.
- Maintain possession of your rented equipment at all times. Do not leave rented equipment on the field of play. You will be charged the full replacement cost for any equipment that you do not return to the rental desk.

Any violation of any of these rules will result in a player being removed from the park without a refund. Repeat violators will be banned from the park indefinitely.

Appropriate Attire

While outdoor laser tag is a safe activity, the player assumes some risk when engaging in any outdoor activity on uneven, wooded terrain. Much of this risk can be mitigated by dressing appropriately. While full camouflage type attire is certainly encouraged, it is not necessary to play. We do however recommend that all players wear long pants and close-toed shoes. Since this is a natural wooded environment, there are thorns and sharp objects in the field of play.

Even though there are no projectiles fired by any of our equipment, players may opt to wear some type of eye protection to protect from tree limbs and such while running through the park during play. Again, since this is an outdoor activity, we recommend that you use some type of insect repellent to protect from mosquitoes, chiggers, and ticks which are common in North Texas, especially during the warm weather seasons.

Please signify below with your initials that you have read and understand the General Rules and Appropriate Attire sections of this waiver form
